Staffing Health Benefits Program™

WE MEET YOUR HEALTH INSURANCE NEEDS:

FROM FAMILY PPO COVERAGE TO HEALTH SAVINGS
ACCOUNTS TO TEMPORARY HEALTH INSURANCE PLANS

We know the importance of having access to high quality, affordable, and comprehensive health care benefits. This is why your staffing company has designed this plan to cover you and your family's health insurance needs.

The **Assurant Staffing Health Benefits Program™** provides you with the choice of 3,000 plan variations for major medical insurance coverage through Assurant Health, the nations leading provider of individual and group medical insurance. We are also the largest providers of Health Savings Accounts (HSAs) and Temporary Health Insurance in the country.

Our program saves staffing employees an average of 42% on their health insurance premiums and provides direct access to the doctors of their choice with no reduction in benefits. Employees can also choose coverage with our extensive doctor and hospital organizations (PPO's) with over 500,000 providers participating nationwide.

The **Assurant Staffing Health Benefits Program™** provides major medical benefits for you and your family with many services covered at 100%. As the premiere provider of employee health benefits to the Staffing industry, we are confident you will find our plans extremely valuable.

Services covered at 100% include:

- Prescription Drugs
- Doctor Visits
- Home Health Care
- Hospice Care
- Skilled Nursing Facilities
- Inpatient Rehabilitation

You have to be absolutely confident that your health insurance plan will do what it's supposed to do if you or a family member gets sick or hurt and needs medical treatment.

In today's world, you simply can't afford an unpleasant surprise at claim time.

Now you can enroll in an economical, top quality, custom designed major medical insurance plan from a world class insurer, **Assurant Health.**

Plans Available

- Individual Health Insurance
- Family Health Insurance
- Comprehensive PPO Co-Pay Plans
- Health Savings Accounts
